AT407 Caps for MB2000 Series

The location of production for AT407 screw-on caps will be changing. The .394" (10.0mm) diameter caps are used in MB2000 Series.

The boxes in which the products are packed for shipping will now read "CHINA FACTORY" instead of "JAPAN FACTORY." This change will apply to standard and custom AT407 caps. The effected standard part numbers are shown below.

	Before Change	After Change
Shipping Box	<p>"JAPAN FACTORY" printed on side of box</p>	<p>"CHINA FACTORY" printed on side of box</p>

Notes

- There are no changes to the caps' dimensions or specifications.
- The size and shape of the shipping box may vary depending on the part number.
- Contact information is below if more details are needed.
