## Changes to Location & Production for TL Illuminated Toggles & DS Tilt Switches

Type of Change:

- Engineering     Part Number  
 Product         Appearance

Changes for  
TL & DS Series

There will be revisions to the production and manufacture location for TL Series Illuminated Toggles and DS Series Tilt Switches. "Japan" will no longer be displayed on the switch bodies; the lot number on the switches will have a dot mark above the second digit; and the box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." These changes will apply to standard and custom products.

Effected standard part numbers for TL Series and DS Series are displayed on page 2.

	Identification	Lot Number	Shipping Box
<b>Before Changes</b>	"JAPAN" on Switch Body	Example of Lot Number  <b>84</b>  Enlarged to Show Detail	 "JAPAN FACTORY" printed on side of box
<b>After Changes</b>	"JAPAN" on Switch Body Removed	Example of Lot Number with Dot Mark Above Second Digit  <b>8<sup>•</sup>4</b>  Enlarged to Show Detail	 "PHILIPPINES FACTORY" printed on side of box

### Notes

There are no changes to the switches' dimensions or specifications.

The location of the lot number on switch body or the factory location on shipping box may vary depending on the part number.

Contact the factory if more details are needed.

### Effective Date

Location and production changes for TL Illuminated Toggles and DS Tilt Switches will be effective July 2022.
